I know the Department can use the application against me in a court of law for fraud prosecution. I know that failing to report or verify shelter, medical or dependent care expenses or child support payments is the same as saying I do not want a deduction for the expenses I did not verify or report.

I understand that the Department may check the information on this form to see if it is correct and may select my case for a spot check, such as for a Quality Control Review.

I agree to allow someone from the Department to visit me at home. I will help them get all needed proofs from any source.

I understand that when a person is deceased who was at least 55 years old when receiving Medical Assistance the state may take money from the estate to repay payments made on behalf of that person.
